## Te Taiwhenua o Heretaunga

### *About Us*

Ngāti Kahungunu Iwi Incorporated is the Iwi Authority for Ngāti Kahungunu and deals with pan-Iwi issues, and supports and represents the collective issues of the six Taiwhenua in the Ngāti Kahungunu Iwi rohe - Wairoa, Whanganui a Orotu, Heretaunga, Tamatea, Tamakinui a Rua and Wairarapa. Each Taiwhenua has a representative on the Iwi Board.

As the largest of the six Taiwhenua making up Ngāti Kahungunu Iwi Incorporated, Te Taiwhenua o Heretaunga is well positioned to translate Iwi strategy into action and provide tangible outcomes at a regional level.

The organisation is a vigorous and sustainable entity employing staff across a wide range of services, with a track record of success, prudence and stable growth.

Te Taiwhenua o Heretaunga has many pathways to progress the organisation along and for whānau to be part of the journey. Te Taiwhenua o Heretaunga is poised for the exciting times ahead with planned Hapū (community) developments signally a bright future and growth for Māori in the region.
